 CATERING MENU

how sweet it is

having a variety of mini desserts, your guests will most likely indulge in a few options. to ensure you have enough treats to go around, we multiply your guest count by our catering golden ratio, 2.4.

from there, we can divide your total number of treats into the perfect variety of your choosing
pricing varies on treats, flavors, and amounts chosen. some flavors may be available only seasonally

min. 50-100 guests, choose up to 8 flavors/treats

100-150 guests, choose up to 10 flavors/treats

150+ guests, choose up to 12 flavors/treats

additional information

our cookies are custom designed, thoughtfully created, and a one-of-a-kind edible art. our recipe is a lightly sweetened vanilla bean shortbread topped with vanilla royal icing. the perfect ratio of thick, soft cookie to sweet, lightly crunchy icing. and yes, they taste as good as they look!

we will try our best to make your vision come to life on the cookies. we love coordinating with invitations or decorations. we also appreciate the creative freedom you give us to not exactly copy another baker's original work. each custom set includes a sketch of our ideas, are individually sealed and boxed together.

tasting box information

tasting boxes are made every 2nd and 4th Friday of the month.

you may book a tasting box up to 72 hours in advance of the Friday you intend to pick up.

included in the boxes will be a variety of cake flavors, fillings, and buttercreams where you will be able to try out different combinations in order to create your dream wedding cake!

the flavors within the boxes will be preset with some of our favorite and most popular flavors.

each of our boxes will also include a card for you and your partner to rate your favorite flavors and combinations!
